This Legal Disclaimer provides general notices about the informational nature of the Aurelix website and related materials. It is intended to clarify the limits of statements made on the website and to reduce misunderstandings, while respecting any rights that cannot be excluded or limited under applicable law.

1. Informational Nature of Website Content

- Content published on www.aurelix.store, including product pages, guides, FAQs, blog-style materials, campaign copy, visual examples, and support information, is provided for general informational and shopping-related purposes only.
- Although we make reasonable efforts to keep content accurate and current, mistakes, omissions, delays in updates, formatting issues, translation inconsistencies, or technical display problems may occasionally occur.
- Nothing on the website should be understood as a guarantee, promise, or binding representation except where the applicable law or a specific contractual term clearly provides otherwise.

2. Product Descriptions, Colors, and Visual Representation

- We aim to describe and display products as accurately as reasonably possible. However, actual appearance may vary depending on screen settings, lighting, printing tolerances, production batches, material characteristics, and device-specific rendering.
- Minor differences in colour shade, placement, scale, texture, brightness, stitching, or print positioning do not automatically mean that an item is defective, provided the item is materially consistent with its description and with applicable legal standards.
- Images, mockups, styled examples, and promotional compositions may be illustrative and may include digitally enhanced or AI-assisted presentation elements.

3. Availability, Pricing, and Technical Errors

- Product availability, production options, shipping estimates, and pricing may change at any time before an order is accepted, subject to applicable law.
- The website may occasionally contain obvious typographical, pricing, currency-conversion, synchronization, or technical errors. Where an obvious error has occurred, we reserve the right to correct it and, where legally permitted, to decline or cancel the affected transaction before fulfillment.
- This disclaimer does not limit any mandatory rights that a consumer may have in relation to a concluded contract.

4. Third-Party Services and External Content

- The website may integrate or link to third-party services such as payment providers, analytics tools, social media pages, shipping tools, embedded content, or external websites.
- We do not control those third-party services and are not responsible for their independent content, availability, security, terms, or privacy practices. Your use of such services is governed by the relevant third party's own policies and terms.
- A link or integration does not by itself mean that we endorse all content or conduct of the third party unless we clearly say so.

5. No Professional Advice

- Nothing on the Aurelix website constitutes legal, tax, accounting, customs, investment, medical, health, employment, or other professional advice.
- Any references to sizing, fit, shipping timing, customs handling, duties, taxes, materials, care, product suitability, or similar subjects are general in nature and should not be relied on as a substitute for advice tailored to your specific circumstances.
- Where you need professional guidance, you should consult an appropriately qualified advisor.

6. Website Availability and Security

- We do not guarantee that the website will always be available, uninterrupted, fully secure, compatible with every device, or free from bugs, delays, or harmful components, although we take reasonable steps to maintain and protect it.
- Scheduled maintenance, hosting incidents, software conflicts, browser issues, third-party outages, force majeure events, or security events may affect website performance or access from time to time.

7. Limitation of Liability

- To the maximum extent permitted by applicable law, Aurelix s.r.o. excludes liability for indirect, incidental, special, exemplary, punitive, or consequential losses arising out of or in connection with the use of the website or reliance on general website content.
- Nothing in this disclaimer excludes or limits liability for fraud, wilful misconduct, death or personal injury caused by negligence where non-excludable, or any other liability that cannot lawfully be excluded or limited under applicable law.
- Where liability can lawfully be limited but not excluded, our liability shall be limited to the extent permitted by the applicable law and interpreted consistently with any mandatory consumer protections.

8. User Responsibility

- You are responsible for using the website and any information obtained from it in a lawful, sensible, and context-appropriate manner.
- Before placing an order, you should review the current product description, pricing, delivery information, and applicable policies published on the website. If something appears unclear, you should contact us before ordering.

9. Relationship to Other Policies and Terms

- This Legal Disclaimer should be read together with the Terms and Conditions, Privacy Policy, Cookie Policy, Shipping and Delivery Policy, Returns / Refunds / Withdrawal Policy, Complaints / Defects Policy, Terms of Website Use, and any Intellectual Property Statement published on the website.
- If there is a direct conflict between this disclaimer and a specific contractual or legally required term, the more specific or mandatory term will prevail to the extent of that conflict.

10. Governing Law and Mandatory Rights

- This disclaimer is governed by the laws of the Czech Republic, excluding conflict-of-laws rules, unless mandatory law in a relevant jurisdiction requires otherwise for a particular non-excludable issue.
- Nothing in this disclaimer limits any non-waivable rights that you may have under applicable consumer protection or other mandatory law.

11. Changes to This Disclaimer

- We may update this Legal Disclaimer from time to time. The version published on the website at the relevant time will generally apply to current website use unless a different rule is required by law.

12. Contact

- Questions about this Legal Disclaimer may be sent to info@aurelix.store. Important: This disclaimer is meant to reduce misunderstandings and manage general website risk.
